25th November 2019

Dear Parent / Carer

On 10th December Year 12 and 13 students are allowed to work from home. There is also the Winter Wonderland trip running. This is to facilitate the Year 11 Taster Day ahead of the application process.

Subject teachers will ensure students know what work they should be doing.

Students may still come into the academy to use the facilities but timetabled lessons will not be taking place therefore students who do so must be able to undertake work independently.

Yours sincerely

K. Sanders-Pope
