For outstanding attitude and effort in Tutor Time:

- A1 - James Dawson
- A2 - Aiden Fouracre
- A3 - Isiah Torres
- A4 - Leo Hobbs
- A5 - Daisy Williams
- A6 - TM
- A7 - Julia Wolska
- A8 - Ana Gashi
- A9 - Godfrey Moyo

Attendance

Attendance is one of the key factors in student achievement. Students whose attendance is over 95% achieve up to a whole grade higher in their final GCSE exams.

61 Austen students achieved 100% attendance during this term.

House Statistics

Austen House is currently **1st** in the tutor quiz

Austen House achieved **2606** ACE commendations this term.

Austen house are currently **2nd** in the House Competition

Austen

Named after Jane Austen who believed that your character and morals governed your fate. She believed in personal responsibility and making the right choices.

For outstanding attitude and effort in Tutor Time:

- B1 - Billie Dawson
- B2 - Rhys Sulman
- B3 - SQ
- B4 - Jude Hawkins
- B5 - Georgie Houston
- B6 - Amelia Radford
- B7 - Amy Hale
- B8 - Sophie Almond
- B9 - Kacey O'Callaghan
- B10 - Andre Silva

Attendance

Attendance is one of the key factors in student achievement. Students whose attendance is over 95% achieve up to a whole grade higher in their final GCSE exams.

60 Brunel students achieved 100% attendance during this term.

House Statistics

Brunel House is currently **3rd** in the tutor quiz

Brunel House achieved **2856** ACE commendations this term.

Brunel are currently **4th** in the House Competition

Brunel

Brunel house is named after Isambard Kingdom Brunel who was a great, ground breaking engineer who has stamped his vision on this country.

For outstanding attitude and effort in Tutor Time:

- C1 - LT
- C2 - George Martin
- C3 - Jessie Beale
- C4 - Preem Jampapho
- C5 - Jasmine Trett
- C6 - Cain Bailey
- C7 - Kieran Wootton
- C8 - Philomena Gearon
- C9 - GR
- C10 - Muhammed Aliyan

Attendance

Attendance is one of the key factors in student achievement. Students whose attendance is over 95% achieve up to a whole grade higher in their final GCSE exams.

69 Cavell students achieved 100% attendance during this term:

House Statistics

Cavell House is currently **2nd** in the tutor quiz

Cavell House achieved **2962** ACE commendations this term.

Cavell house are currently **1st** in the House Competition

Cavell

Edith Cavell was a British nurse from a small village just outside Norwich, who was executed as a spy for helping around 200 allied soldiers escape during World War One.

For outstanding attitude and effort in Tutor Time:

- N1 - FF
- N2 - Mia Goddard
- N3 - Caitlin Kelly
- N4 - SO
- N5 - Paige Stannard
- N6 - Emma Morley
- N7 - Courtnie Harris
- N8 - Hannah Reid
- N9 - Emily Driver

Attendance

Attendance is one of the key factors in student achievement. Students whose attendance is over 95% achieve up to a whole grade higher in their final GCSE exams.

52 Newton students achieved 100% attendance during this term.

Newton

Sir Isaac Newton was an English physicist, mathematician, astronomer and philosopher and is considered by many to be one of the most influential people in human history.

House Statistics

Newton House is currently **4th** in the tutor quiz

Newton House achieved **2568** ACE commendations this term.

Newton house are currently **3rd** in the House Competition

Achievement in Lessons

Academic Support

Gerogia-Ann Vargeson - Outstanding effort and improvement in all of her subjects.

Izzy Bosomworth - Being successful in lessons.

Molly Merrill - Being inquisitive in lessons.

Youth Award

Georgia-Ann Vargeson - Being successful in lessons.

Katie Starling - Being inquisitive in lessons.

Wiktorija Stankiewicz - Being inquisitive in lessons.

Sporting Successes

Football

The U14 boys football team won a thrilling game away to St Benedict's to reach the quarter-finals of the County Cup on Thursday 15th November 2018.

The boys recovered twice from two goal deficits during the game, pegging back St Benedict's from 2-0 down and again from 4-2 down, to take the match to penalties. Chris Gearon was the star performer in goal with a succession of vital saves. At the other end, Ryan Horne scored a fine solo effort. The match finished 4-2 on penalties.

The U16 girls football team have also been in action against St Benedict's recently in the County Cup. Bec Towler captained the side to an emphatic 5-0 victory, with a 25-yard strike from Katie Hayes the pick of the goals.

The U18 boys football team travelled to Stowupland for their second round County Cup fixture with star striker Kieran Locke leading the line. After falling behind early in the game, a fine assist from Stephen Clarke teed up Callum Horne to bring us in level at the break. Harry Lowman's introduction in the second half reinvigorated the team and a dominant twenty-minute spell saw us net three further goals without reply, including fine solo efforts from Horn and Locke.

Netball

Having qualified from the Western area tournament, the U14 netball team competed in the Suffolk County Finals on Saturday 10 November 2018. A great achievement for the team and some excellent Netball played. Well done to all involved!

Basketball

The U16 boys basketball team hosted St Benedict's in a league fixture on Wednesday 21st November 2018, triumphing by 40 points to 28. Luke Finniar and Leo Hobbs were our stand-out players. The U14 girls basketball team won 38-17 at home to Thurston, with Jemima Kent top scoring.

Sporting Successes

Ballroom Dancing

Year 7 student Sienna Smith has been a keen dancer since the age of four and has been competing for the past five years. She dances with a school based in Royston called The Studio-CT which is run by Claire Thompson. Sienna would like to pursue a career as a dance teacher and currently helps out with the younger children's classes which are run at The Millennium Centre in Red Lodge on a Friday.

On the weekend of the 3rd and 4th November 2018 Sienna competed in the Blackpool finals and was awarded fourth place Ballroom Silver National finalist and second place Latin Silver National finalist. This was the fourth year that Sienna has attended this event.

Motocross

Year 8 student Kara Quinn recently competed in two rounds of the uk girls Motocross nationals.

Girls from all over the country compete to be crowned the fastest girl in the country. Round one was in Scotland and the second was in Gloucestershire.

Kara came second in the small wheel 85 class! Kara is trained by local Mx legend and former MCA student Carl Nunn.

Bebras Successes

During November 368 students from Years 7, 8 and 9 took part in the Bebras Computational Thinking Challenge organised by Oxford University. This is a competition which has been designed to get students thinking about a career in Computer Science. The competition is made up of 18 problems that students have to try to solve within a time limit of forty minutes.

This is the third year we have encouraged students to participate in the competition and it has been yet another successful year. In the Year 8 and 9 category, 27 out of the 203 students who took part finished in the top 25% in the country with 14 of those finishing in the top 10%. A special mention must go to **Molly Merrill** who scored highest at MCA to achieve the title of best in school.

In Year 7, 36 out of the 165 students who took part managed to score high enough to be in the top 25% of students in the country. Of those, 16 of them also finished in the top 10%. An extra special mention must go to **Chloe Palmer** who, not only finished with the highest score at MCA but also managed to achieve the highest score in Suffolk. She also finished inside the top 60 students in the country out of 59 000 students who took part. She has been rewarded with a visit to Oxford University to take part in some more computing challenges at their Computer Science department.

All students who finish in the top 10% in the country qualify for the TCS Oxford Computing Challenge. This is an extension of the Bebras challenge with a lot more coding challenges to take part in. These students will have the chance of competing for some prizes later in the year.

Well done to all who took part, there were lots of really good scores.
